

Corrected Notice
Approved Courses of Instruction in Boating Safety Education

Under 58 Pa. Code §91.7 (relating to criteria for courses of instruction in boating safety education), the Executive Director of the Fish and Boat Commission may approve, by notice, boating safety education courses that meet the course criteria established under this section and will publish a list of approved boating safety education courses in the *Pennsylvania Bulletin* on an annual basis or more frequently as required. The Fish and Boat Commission (Commission) previously published a notice identifying approved courses in boating safety education in the *Pennsylvania Bulletin* on July 5, 2008. However, the Commission determined that a few courses inadvertently were omitted.

The Commission, therefore, is republishing the list of approved boating safety education courses, effective as of July 1, 2008, as follows:

Pennsylvania Fish and Boat Commission (classroom course)

United States Coast Guard Auxiliary (classroom course)

United States Power Squadrons (classroom course)

Nautical Know How (classroom course)

Janet M. Teller d/b/a America Boating Classes (classroom course)
